

A running start on your lawn this fall makes for a better lawn next summer.

And one call saves you money right now.

The trusted company that handles your association's common areas *is now extending their services to your home*. With outstanding deals from CoCal, now is the perfect moment to prepare for next summer's lawn.

- Irrigation winterization and turf aeration for only \$39.99
- Winter fertilization for up to 5000 s.f. of turf for only \$24.99 – or \$44.99 for up to 10,000 s.f.
- Earn a \$2 credit on account for your community to be used on 2011 landscape or irrigation

You'll love the savings you get by putting CoCal to work on your yard... and you'll *really* love how your lawn looks next year!
